

Book now; Stockholm 24-25 March 2012!

The value of clinical hypnosis in treatment of traumatic dissociation

(in english)

MD, PhD Richard Kluft will give two very interesting days, open for you with a license to treat patients with psychotherapy. Members in SSCH - Swedish Society of Clinical Hypnosis, members of ESH – European Society of Hypnosis and members of ESTD – European Society for Trauma and Dissociation will receive a special price.

Organised by Anna Gerge and Susanna Carolusson,
members of

Day 1. Saturday 24 March 2012

a.m.

Trauma, Dissociation, and Hypnosis:
The Implications of their Interactions and Interrelationships for Psychopathology and Psychotherapy
Individual Differences within Groups with Different Degrees of Hypnotizability: How It Can Shape Symptoms and Guide Treatment
An Agnostic Perspective on Theories of Dissociation: What Dissociates in Dissociation and Why It Matters for Treatment Planning
Eliciting Topics of Interest to Participants

p.m.

Basic Affect Theory and Its Implications for Psychopathology
Dissociation in Patients without Dissociative Disorders:
Approaches to Understanding and Treatment with Attention to Involving Ancillary Hypnosis in Other Treatment Modalities
Hypnotic Techniques I
Response to Topics Requested by Participants

Day 2. Sunday 25 March

a.m.

Basic Considerations in the Treatment of Complex Chronic Dissociative Disorders (DID/DDNOS): An Approach Based on Empirical Results
Review of the DID/DDNOS Follow-Up Project 1973-2012
An Approach to Treatment: A Detailed Exposition
Hypnotic Techniques II

p.m.

Processing Traumatic Material and Enactments
Transference, Countertransference, and the Relational Matrix in Trauma Therapy
The Issue of Integration
So, What Does this Model of Therapy Really Look Like?
(Study of Excerpts from Verbatim Therapy Transcripts)

Richard P. Kluft, MD, Ph.D., psychiatrist, works with psychoanalysis and medical hypnosis in U.S. He is also a clinical professor of psychiatry at Temple University School of Medicine.

He has published more than 225 scientific articles and book chapters. He is a former editor of *Childhood Antecedents of Multiple Personality*, *Treating Victims of Sexual Abuse* and *Incest-Related Syndromes of Adult Psychopathology*. Together with Catherine G. Fine, Ph.D., he has edited *Clinical Perspectives on Multiple Personality Disorder*. He was the chief editor of the journal *Dissociation* during ten years and has been a member of several editorial boards.

He is now clinical editor of *International Journal of Clinical & Experimental Hypnosis* and advisory editor of *American Journal of Clinical Hypnosis*.

Dr Kluft has studied and treated dissociative disorders and post trauma conditions during 40 years and is a worldly renown expert of the field.
